Dear Customer,

On October 1, 2012, SemStream Arizona Propane, L.L.C. ("SemStream") filed a notice of intent/application ("Application") with the Arizona Corporation Commission ("Commission") concerning a transaction in which Alliant Gas, LLC will acquire all of the issued and outstanding units of membership interest in SemStream from its current parent company, SemStream, L.P. The Application seeks approval, or alternatively waiver, of the reorganization pursuant to A.A.C. R14-2-803.

This Application will have no effect on the rates, terms and conditions for your propane service. Your rates will remain the same, and you will contact the company in the same manner as you do currently. The company personnel will be the same and will continue to provide you the same level of safe and reliable propane service and customer service that you currently receive.

It is anticipated that the Commission will issue a decision regarding the Application following consideration of the matter at a Commission Open Meeting. The Commission's Utilities Division has not yet made a recommendation regarding the Application.
